Chairman's Welcome

Hi all, Many thanks as always for your support on this and everything else!

A warm welcome to our supporters and sponsors as we finally get our delayed season underway. An especially warm welcome to our new friends from Ealing Trailfinders, visiting Aylesbury for the first time. We hope you enjoy our hospitality away from the pitch and struggle with it a bit on it. I'm very much looking forward to seeing how this match up goes as we meet for the first time.

Good luck to our Men's 2nd XV who travel over to Buckingham this afternoon for their second fixture of the season. Let's hope we see of them back here later celebrating their first win.

Our men's season began last weekend with three full squads in action. The 1st XV travelled to London Irish, where we've traditionally found it tough going, and a slow start left us 32-7 down at half time. Huge credit to the players for the response, which saw the boys, with some new faces and notable absentees, fight back to earn a bonus point in a 60-42 defeat. There was plenty in that second half to build on, especially if we can get going from the first whistle.

The 2nd XV were very unlucky to lose at home to Banbury by a single point, while the 3rd XV met a strong, talented and largely (in every sense), Fijian side at Bicester and came away second best.

Across all three teams, though, there was good rugby and plenty of boys enjoying rugby - reflecting the excellent numbers at training, so thank you to everyone making it happen. With a number of walkovers locally last weekend, I'm particularly proud that Aylesbury put out three full men's teams. Today, ahead of kick off, we will observe a minute's silence in memory of David "Lofty" Stopp who we sadly lost earlier this year. We have also received the sad news this week of the death of John Watts'. The losses of both of these club legends remind us what days like this are really about: spending time with friends, sharing a beer and a story, and making more memories together. We welcome several members of Lofty's family today, who join us for the minute's silence in his memory.

Despite the name, I know almost nobody has come to the lunch to see me - with the possible exception of my wife. It is an excuse to bring together people who have given so much to this club over the years. I hope you all have a great afternoon and that there are a few songs in the bar later.

A note of sincere thanks must go to our friends and supporters at Mediaport. An awful lot of time and effort goes into producing this epic programme (a tip of the hat to John Charnock also), as well as the many and varied other posters, flyers, leaflets and so much more, and we are incredibly grateful for their constant support, advice and creative genius. Scott and the team - Thank you! Please consider Mediaport when looking at your own requirements around design, print and promotion!

One final reminder. We want everyone here today to enjoy the rugby and no one more so than the referee! Please show him the respect our game expects.

Make as much noise for the teams as you like, but leave the decisions and law interpretations to the referee and give him space after the match. Not everyone likes to spend the afternoon working through every decision made in the 80+ minutes as much as you do. We want him to enjoy his day too. Without him, none of us would have a game to watch today.

Here's to a great day, a good game and, hopefully, an Aylesbury win. I'll see you in the bar afterwards.

Yours in Aylesbury rugby,

Paul Milham

Chairman ARFC

Welcome to Ostler's Field

We warmly welcome everyone joining us at Ostler's Field for the first league home fixture of the season.

Today, the 1st XV will host Ealing Trailfinders 1871 RFC for the first time in the Regional 2 Thames league. Our 2nd XV will travel to Buckingham II's for their second fixture in the Counties 4 BBO Counties 3 season. Meanwhile, our 3rd XV will have a rest week to prepare for Bletchley II's, which has been rescheduled for next weekend.

Last week, the 1st XV travelled away to face London Irish Wild Geese. They had a slow start, leaving them with a significant points deficit after the first 30 minutes. However, they recovered to score six tries and secured a bonus point. James Phillips and Jack Tominey each scored a brace, reviving last year's contest for the leading try scorer of the season. Will Andrews and debutant James Greenaway also scored tries. We're excited to see the 1st XV debuts of Ben Nyanzi in the front row and Cameron Watkins at Fly Half today. Both players joined ARFC during the off-season.

Our second XV stayed home last weekend to face Banbury 3's. The final score of 28-29 doesn't reflect the quality of the game, which was end-to-end throughout. We led by 2 at half-time with a single converted try from Vic Cruger and scored three more tries

in the second half by Evan Wakelam, Brandon Smith and Vic again. Ultimately, this wasn't enough and Banbury snuck over for a last-minute try to win by a single point.

Last weekend, our men's third XV travelled away to Bicester 2's for the opening game of the Counties 4 calendar. We were delighted to have four senior Colts – Adam Light, Ellis Hammond, Aaron Warwick and Isaac Greenwood – join us. They all performed exceptionally well with our senior 3rd team players, against a tough and experienced Bicester 2's side. While we couldn't match Bicester in terms of points, it was a great opportunity to restart formal league rugby for our third XV.

We hope you enjoy the Chairman's Lunch and encourage you all outside to our AGP after your meal to watch and support everyone representing the mighty Magenta and Black today.

Enjoy the game!

Ben Tominey

Director of Rugby, ARFC

Coaches' Welcome to the Women's Season

The Aylesbury Women have had a successful summer building a solid foundation for the 2026/27 season.

Finishing a credible third in a 7s tournament and seeing fantastic numbers over the preseason sessions including new faces joining the squad, the vibes are strong (I think that's what the cool kids say!).

The delayed start to the season imposed by the RFU didn't slow anyone down, with our annual preseason fixture against established NC2 team Chesham going ahead. It's a game that the women in magenta and black relish every year against a tough and experienced team. The women played some incredible rugby, leading for most of the game and it also provided an opportunity to make sure all available players from the 1XV and 2XV got invaluable game time. The game also saw the next generation of Senior players making their debuts from the U18 girls' teams, a now well-established pathway securing the growth and future of female rugby here.

Last weekend saw the 1XV league game postponed due to an unplayable pitch at Stockwood Park. Player safety will always come first so although there was a bit of disappointment in not being able to play, it meant that the team were able

to support a fantastic day of girls rugby at the club and cheer on the 2XV at the first Inner Warrior tournament of the season.

The 2XV are now in their second season and we are clustered with the A&C Women to ensure that there is 15-a-side women's rugby available to as many players locally as possible. With joint training sessions, a strong bond has formed between the two squads, evident in a fantastic performance in the tournament: 3 wins and a draw saw the A's/A&C team come away as the tournament winners!

Looking forward, the women will be supporting all the girls teams at the Girls Festival of Rugby at Halton on 4 Oct, ahead of our first ever double-header Women's fixture at the Club on 11 Oct! The 1XV are welcoming St Neots and the 2XV playing Beaconsfield in what promises to be two very competitive matches! Please make sure you are there to support both teams and cheer them on to wins on a great day in the women's rugby calendar at ARFC.

Youth Chairman Match Day Report

Overview

The opening weeks of the season have provided a positive foundation for youth rugby at Aylesbury RFU. Across the Minis, Juniors and ATL Girls sections, players have returned with enthusiasm, coaches and volunteers have re-established strong routines, and families have contributed to a welcoming club environment. Early activity has focused on safe participation, enjoyment, skills development and rebuilding team connections after the summer break.

Minis Section

The Minis section has made an energetic start, with an emphasis on fun, confidence and age-appropriate skill development. Training sessions have helped new and returning players settle quickly, while coaches have reinforced the core values of teamwork, respect, discipline and enjoyment. Attention has been given to creating an inclusive first experience for new families and supporting a smooth transition for players moving into new age groups.

Juniors Section

The Juniors section began the season with a clear focus on development, player retention and progressive rugby. Squads are building fitness, technical ability and tactical understanding while maintaining a strong commitment to player welfare. The early programme has also supported continuity between age groups, helping players take on greater responsibility and prepare for the increasing demands of competitive rugby.

ATL Girls

Section

The ATL Girls section has opened the season with strong purpose, continuing to provide a supportive pathway for girls to begin, develop and progress within the game. Sessions have been centered on confidence, core skills, teamwork and enjoyment, with coaches working to strengthen connections across age groups. Recruitment, retention and appropriate playing opportunities remain central priorities as the section seeks to build sustainable participation throughout the season.

Outlook for the Season

The priority for the coming months is to convert this positive opening into consistent participation and development across all three sections. Success should be measured not only through results, but also through attendance, player retention, coach development, safe delivery and the quality of the experience provided to every player. With continued support from coaches, team managers, volunteers, parents and the wider club, the Minis, Juniors and ATL Girls sections are well placed to build momentum and deliver a rewarding season.

Thanks

Paul Andrews

Youth Chairman

SPONSORSHIP PACKAGES THAT DELIVER AGAINST YOUR OBJECTIVES

Our packages are built with your objectives in mind. Designed to deliver return on investment, return on objectives, or both.

Aylesbury Rugby Club History

Welcome to the Club History page, on this match occasion we will look at the design of the ARFC Club Badge.

A rugby club badge represents a combination of the team's history, local identity, and core values, often serving as a symbol of unity and pride for both players and supporters. These badges typically incorporate elements that reflect the club's heritage, such as founding dates, geographical landmarks, or traditional, symbolic symbols. As follows:-

Golden Beehive – Top Left Quarter

Bees represent industry. Buckinghamshire has a history of beekeeping and honey production.

Golden Sheaf of Wheat – Top Right Quarter

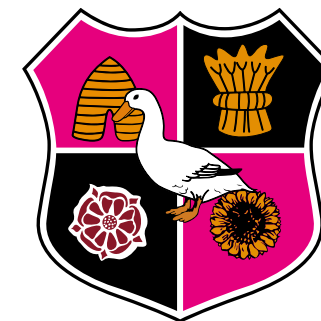

This symbolizes Buckinghamshire's agricultural sector, especially the fertile Vale of Aylesbury. Grain and livestock are primary products of the area.

Heraldic Rose – Bottom Left Quarter

symbolises the countryside we live in. Noble families, countries, cities, clubs, and societies have used flowers as their emblems. The five-petaled Heraldic Rose is referred to as "barred and seeded," indicating the 5 sepals and the central disc of seeds, typically shown in green and gold or yellow.

Sunflower – Bottom Right Quarter

Symbolizes Fertility.

Aylesbury Duck – In the Centre of the Club Badge

The 'Aylesbury Duck' is a type of duck that has been recognized over the last 100 years it is distinct from the common duck. The Aylesbury Duck developed during the 18th century and by 1810 Aylesbury became the centre of the duck industry producing this particular breed. The Aylesbury Duck quickly became a marketable commodity.

After the 1832 cholera epidemic in Aylesbury duck breeders moved to nearby villages like Weston Turville, this area had ponds and a brook ideal for raising ducks. With the railway reaching Aylesbury, Weston Turville became a major duck-rearing centre by 1863. By 1870 pairs of Aylesbury Ducks sold for 16 shillings (80 pence) while fertilised eggs cost 2/6d (12½ pence) per dozen rising to 7/- shillings (35 pence) by 1894.

Sponsorship

At Charlton Design and Build, we are proud to support the local community by sponsoring the Stoke Mandeville Girls Football Team and Aylesbury Rugby Club, along with our new partnerships with Berkhamsted Fc and Buckingham Boxing club. Our commitment to fostering youth sports and promoting teamwork aligns with our values, as we believe in empowering the next generation through physical activity and collaboration. We look forward to witnessing the growth and success of these talented athletes as they represent our community on the field.

We also have great pleasure in getting behind a brilliant cause, supporting The Wing Singers in an event they are doing locally, in support of the impact singing can have on mental health, which will see money raised given to Mind, Lindengate and Space charities.

#COYA's Column

Why Volunteer?

With over 1,000 members, active men's, women's, boys', girls' and mini mixed teams, and more than 200 dedicated volunteers, our club continues to grow because of the people who give their time, energy and passion to support it.

Every training session, match day, festival, social event and community activity relies on volunteers. From coaching, first aiders and team management to helping in the clubhouse, maintaining facilities, organising events, producing the matchday programme, nurturing sponsors, dealing with the finances, safeguarding, keeping up with legislation, planning for the future or supporting fundraising initiatives, volunteers are the heartbeat of our club.

Volunteering is also incredibly rewarding. It provides an opportunity to meet new people, build friendships and become part of a welcoming and supportive community. Whether you're a parent, former player, supporter or someone looking to get more involved, there is a role to suit your skills, interests and availability.

Many volunteers discover that they gain as much as they give. Volunteering helps develop valuable skills such as leadership, communication, organisation and teamwork. It can boost confidence, enhance career prospects and provide a real sense of achievement. Seeing young players develop, supporting teams to succeed and helping create memorable

experiences for members are just some of the rewards that come from getting involved.

As our club continues to grow, so does the need for volunteers. While we are fortunate to have more than 200 people already contributing their time, we always welcome new faces and fresh ideas. Even a small amount of time can make a significant difference and help ensure that Aylesbury Rugby Football Club remains a successful, inclusive and enjoyable environment for everyone.

Rugby has always been built on teamwork, respect and community spirit. Volunteering is another way of living those values. By stepping forward and getting involved, you are helping to create opportunities for current and future generations of players while strengthening one of the largest and most vibrant sporting communities for miles around.

If you've ever thought about volunteering, now is the perfect time to join the team behind the teams. Together, we can continue to make Aylesbury Rugby Club a place where everyone can thrive. Contact Paul Casey at jpcasey65@gmail.com if you want to help – go on, give it a go!
